Blue Star Mothers of America Offers Support and Fellowship to Military Mothers  
*Announcing Blue Star Mothers of America Annual Membership Drive*

SANTA CLARITA, CA With more than 200 chapters nationwide, Blue Star Mothers of America offers a safe place and answers for Military Mothers of children who are active duty or veterans. At their beginning in 1942, Blue Star Mothers of America's original goal was to bring their sons home, ensure they received the benefits they deserved, help service members families and help and support each other. Over the years the goals have broadened not just providing support for active duty service personnel, they promote patriotism, assist veteran organizations and are available to assist in homeland volunteer efforts to help our country remain strong.

Blue Star Mothers of America, Inc. is a non-partisan, non-political, non-sectarian organization. We do not support any political candidate nor do we endorse any religious organization. We are here to share our devotion to...our pride in...and support the efforts and sacrifices of our active duty military, guard or reserves as well as our veterans through activities and community projects.

Blue Star Mothers of Santa Clarita offers several get togethers a month, meeting every 3rd Tuesday evening at 6pm and 2nd Sunday at 11am of the month at the American Legion 507 24527 Spruce Street in Newhall. Membership is open to all mothers (birth, step, adoptive, foster, grand or legal guardian) of a service member that is either currently serving or has been discharged from the armed forces of the United States. Come see how we are more than a national organization, we are family. Get plugged into a group who understands what your are facing. Come join our Band of Mothers...
